

## BUILDING 5G NETWORKS IN EUROPE

Hotel Grandior, Na Poříčí 1052/42, PRAGUE/ 18 September 2019

### ABOUT THE EVENT

In the current world, there would not be a day when 5G did not appear to us. In the context, there is always a debate mainly about cyber security. According to some operators and sellers of telecommunication technology, the 5G has a strange magical effect on the market and on the development of communication between people and between devices connected to the Internet.

### EVENT SCHEDULE

17:00 – 19:00 DEBATE
