

FOR A FREE AND SECURE EUROPE

1 NOVEMBER 2019, PRAGUE

ABOUT THE EVENT

The event 'For a Free and Secure Europe' brings together politicians, representatives from civil society and liberal think tanks from Western, Central and Southeastern Europe and the United States, in a series of seminars and round tables to exchange knowledge and best practices on how to offer a global perspective on keeping European citizens both secure and free. The geopolitical subject of the event in The Hague is the advent of populist and extremist political leaders and the return of revisionist nationalism.
