

The Storytelling

Opatija/Oktober 18 to 22, 2019

Thematic Competence Centre - CAPACITY BUILDING TO STRENGTHEN THE EUROPEAN LIBERAL DIMENSION

Part three: “Creating our Story”

ABOUT THE EVENT

At the very end of the series of Workshops on Storytelling, the participants learn how the constructing of an new identity really works – on examples of some past promoting campaigns for some new leaders as a “fresh”, “unconsumed”, and/or “fair-minded”, being a “truly” representative of the people. Some of these stories and promotion campaigns led to increasing authoritarianism in these countries.

The participants will then use the techniques learned from the previous events combined them with their set open and free-minded values in order to create their messages and their stories, and presenting their leader and his/her message/story.
