

We are all Europeans!

LONDON, UNITED KINGDOM / 7-8 November 2019

ABOUT THE EVENT

This seminar, which precedes the LYMEC Autumn Congress in London, focuses on post-Brexit EU-UK relations and on how young Brits, who overwhelmingly voted in favour of remaining in the EU, and other young European liberals, can participate in shaping the future of Europe when no longer part of an EU Member State. For that purpose, it approaches three different topics: Brexit and its implications, setting post-Brexit UK-EU relations objectives, and agenda-setting in post-Brexit EU/UK (how to influence parties and stakeholders to make the integration of post-Brexit UK a priority).
