

Ageing in Europe: Online launch webinar

ONLINE / 10.03.2021 / 11:00 – 12:15 (CET)

ABOUT THE EVENT

Ageing is a highly individual process, but in the public, we tend to conceive older Europeans as one collective group. The book *From North to South: Ageing in Europe* compiles EU-27 data on ageing and presents three case studies on how ageing and how the ageing population is viewed in Finland, Austria and Italy.
